Case# 19-30088

450 Golden Gate Avenue
Mailbox 36099
San Francisco, Ca. 94102

 **FILED**
FEB 23 2023
U.S. BANKRUPTCY COURT
NORTHERN DISTRICT OF CALIFORNIA

My name is Christina Marie Charles, I am honored to be able to address the court. I am humbly asking for a motion to honor my untimely Proof of Claim. Please allow me to explain:

I have answered all requests that I have received from the Fire Victims Trust for over two years, I am just now informed that my proof claim was not received on time. I cannot understand that and the many correspondences since that date and still not informing me of that important fact until now. I have attached important documents that further show I had no knowledge of that fact and therefore unable to correct this sooner. I might add in my neighborhood we do not have a permanent mailman I can say for the 20 years I have lived in District 10 we have never had and still this day our mail is often late, not received, and sometimes opened in spite of many complaints made to the Visitacion Valley Post Office on Leland Avenue in San Francisco, Ca,

The documents I am submitting for your reference are attached:

1. Proof of certified mail sent to Fire Victims Trust (i.e.; Request for Information Request)
2. Correspondence received from Fire Victims Trust & Faxes sent
3. Letter received from Fire Victims Trust requesting W-9 to be signed and returned
4. Email stating portal procedures for the Trust
5. Confirmation of Claimants Form
6. Reconsideration Request & Dr.'s note

I am submitting these documents because I was never aware of the alleged untimely filing, and I feel the Fire Victims Trust could have at least notified me of that fact thru some of the many times we talked or communicated with one another.

If you have any questions or concerns I can be reached at 415 8769056 or by email at

chris411char@gmail.com. Thank you.

Christina Charles

A LETTER FROM THE TRUSTEE OF THE FIRE VICTIM TRUST

Dear Fire Victims,

On January 26, 2021, I sent a letter providing you with an update on the status of the Fire Victim Trust (the "Trust") and an understanding of what you might expect in the future. I take this opportunity to further inform you of our progress, including Claims Administration, monetization of the stock, as well as the Trust's involvement in the Third-Party Cases, designed to augment the total amount available for distribution to Fire Victims.

Claims Processing

The Trust was created and funded on July 1, 2020. Prior to accepting any claims, the Trust was tasked with creating machinery that would accept thousands of submissions electronically, organize and compile documentation to be reviewed, and provide the reviewers with a consistent way to make determinations. To handle this project, the Trust retained the services of BrownGreer, a law firm that specializes in claims administration and claims processing. Approximately 300 staff members are committed to this project, including attorneys, project managers, analysts, claim reviewers, and software developers. Out of this group, 130 of these employees are dedicated to claims reviews, with BrownGreer adding staff as recently as this past week. In addition, BrownGreer has increased the number of managers overseeing the claims reviews, which will increase output by increasing the rate of claims assignments, ensuring quality control, and helping to train reviewers on eligibility requirements.

On August 17, 2020, the claims process opened, and the Claims Questionnaire became available for attorneys and claimants to use to submit claims. However, submission of the Claims Questionnaire is only the beginning of the process. In order to fully value and verify a claim, as required by the Court-approved Trust Documents, the reviewer must also have supporting
